

# PREPARE 2 RESTART

## REDUCED SERVICE RATES FOR:

### ENERGY REPORT

Synecore's comprehensive energy audit of your property, includes EPC, EICR, PAT Testing and TM44 certifications.

### HVACR SERVICE

We can ensure your heating, ventilation, air conditioning and refrigeration systems are in full working order ready to restart.

### LIFE SAFETY SYSTEMS

Have your fire safety lighting and alarm systems fully checked and tested by Synecore's professional engineers.

### REMEDIAL WORKS

Synecore is available 27/4 to complete emergency repairs. We work fast to prevent unnecessary downtime.

### SERVICE MAINTENANCE REPAIRS COMPLIANCE

We understand that the lockdown has been challenging for everyone. That's why Synecore is offering **reduced rates on maintenance, servicing, repair and compliance programmes for air conditioning, ventilation, heating, refrigeration and electrics**. We can help you ensure your property is compliant, safe and efficient when you re-open for business.

## QUALITY ASSURED CUSTOMER SERVICE GUARANTEED

Let's prepare to restart. Our Service team are waiting to hear from you.
